

**Instructions:**

1. Assignment deadline is 48 hours from the time you receive it.
2. How to send us the assignment:
  - a. You can upload all of your code files on Google Drive/Dropbox
  - b. Change sharing settings so that anyone with link can access.
  - c. Then, share the Gdrive/dropbox link by sending email to [hr@atmana.org](mailto:hr@atmana.org)
3. Contact via Internshala messaging if you have any questions/doubts on the assignment.

**Problem:**

Create Chuck Norris jokes website. This will be a single page website that shows a list of categories of Chuck Norris jokes to choose from. Once a category is selected, a joke from that category is shown. If a new joke is needed, user needs to click on “new joke” which fetches a different joke and shows the user. This website needs to be responsive.

Below is a screenshot of how the website should look on a phone:
