

COIMBATORE INSTITUTE OF TECHNOLOGY

Department of Computing

M.Sc. - Software Systems/ Data Science/ Decision and Computing Sciences

LETTER OF UNDERTAKING BY THE STUDENT FOR INTERNSHIP

I SYED MOHAMMED RAHIMUDDIN N 1881055 (Name, register no.), student of sixth semester M.Sc. - Software Systems/ Data Science/ Decision and Computing Sciences Programme, Coimbatore Institute of Technology, Coimbatore, want to avail the internship opportunity that will be provided by the college. To avail these opportunities, I am committing for the following:

- i. I will appear for each and every activity organized by the department, which will include Internship drives (on/off campus), PD Training/ Preparatory classes, Seminars/workshops/guest lectures, Assessment tests (online/offline), and any other activity arranged by the department for internship/placement.
- ii. I will appear for the internship drive, only if I am sure to take up the offer if I am selected.
- iii. If selected I shall report to the employer as per the duration and time of internship mentioned and abide by the rules and regulations of the employer and internship cell of the college.
- iv. I shall be liable for suitable disciplinary action in case of any violation of the guidelines of the Internship cell of the college as detailed below:
 - a) A student skipping a company will not be allowed to attend the next three companies
 - b) A student not joining in the company internship after giving acceptance will be banned from attending the first three placement drives organized by the placement cell of the institution in the future.
 - c) If any malpractices are found, you will not be able to attend the next two companies of the internship drive.
 - d) Follow the dress code. Misconduct with company personnel during the selection process leads to appropriate action by the college.
 - e) Be present for the process before thirty minutes of the commencement.
 - f) Deadlines must be strictly followed for the submission of assignments/tasks.

- g) Underperformance is strictly prohibited.
- h) From time to time, students will be advised by the department to select the companies appropriate to the requirements of the completion of the project course.
- i) A student will be allowed for one offer only. However, after all the students are selected will be allowed for multiple offers.
- j) The criteria to take up the offer in the selected company compulsorily doesn't depend on the stipend.
- k) Any other issue will be handled by the institute as per the prevailing norms.
